

# B-Team Volleyball News!

Dear Parents and Girls,

September 1, 2011

Welcome to the 2011 volleyball season. Attached you will find a practice and game schedule for the season. This schedule is subject to change (many times), however, I will keep you informed so you can update your calendars. You will also find this schedule on my class webpage, [www.bouldercreekcroes.weebly.com](http://www.bouldercreekcroes.weebly.com). I will post any changes to the schedule on my webpage as well as sending home updates in writing.

So far, we are scheduled to play in a tournament (both A and B teams) on Saturday, September 10<sup>th</sup>. The tournament brackets, therefore game times, are usually not faxed to us until the week prior to the tournament. I will give each player a copy as soon as they are made available to me.

All transportation will need to be provided by me and/or volunteer drivers. If you will be able to provide transportation to away games/tournaments, please complete the attached insurance information sheet (a new form is required each new school year) and return it to myself or the office as soon as possible.

Volleyball girls are expected to attend all practices. Of course, there may be unexpected illnesses or injuries that cause an absence. In which case, I will need to be notified at Boulder Creek, 224-4140. A missed practice will result in a missed game during the next volleyball match.

Home volleyball matches can't take place without certain roles being filled. If you plan on attending all of your daughter's volleyball matches and wouldn't mind learning how to keep the book, I would love to teach you! In fact, I would like to teach at least two parents to keep the book for our team, so we always have a back-up. We will need a bookkeeper at all (home and away) matches, but our book is the official book at home.

In addition, the Boulder Creek Sports Boosters will open the snack bar at all home games. We will need to have parent volunteers to work in the snack bar during the A Team game. This way you will not miss your daughter's match.

I'm looking forward to an awesome season of volleyball! The B-Team girls always show so much growth through the season; it's fun to watch. Thanks in advance for all the support you will give to your student-athlete this volleyball season.
